

**NOTICE OF PUBLIC HEARING
CITY OF LINCOLN CITY
COMPETITIVE BIDDING EXEMPTION**

Notice is hereby given that the City Council of Lincoln City will hold a public hearing to take oral and written comments on the City's draft findings in support of an exemption from competitive bidding under ORS 279C.335 for the Septage Acceptance and Grit Decanter Stations.

The City is requesting the exemption from competitive bidding to allow the use of a procurement method that presents an alternative to the traditional low-bid method of contracting. The method known as Progressive Design-Build awards projects to the contractor offering the best combination of price, technical qualifications, technical approach. The City's evaluation and scoring of competing contractor's technical qualifications and technical approach components, combined with comparison of the contractor's price component will be the basis of award.

The project is located at the Wastewater Treatment Plant, 5000 Se Port Ave, Lincoln City Oregon.

The draft findings may also be viewed on Lincoln City's website at www.lincolncity.org. Copies of draft findings may be obtained at a cost of 30 cents per page.
